Advanced filtration

The HydroTap's cost efficient filtration system offers five times better filtration than a standard water filter jug, producing water that's crisp, clean and clear.

The space-saving option

The HydroTap Celsius 3-in-1 has the option of a super-compact command centre, at just 216mm wide, perfect for kitchens with less available storage space.

Free limescale protection

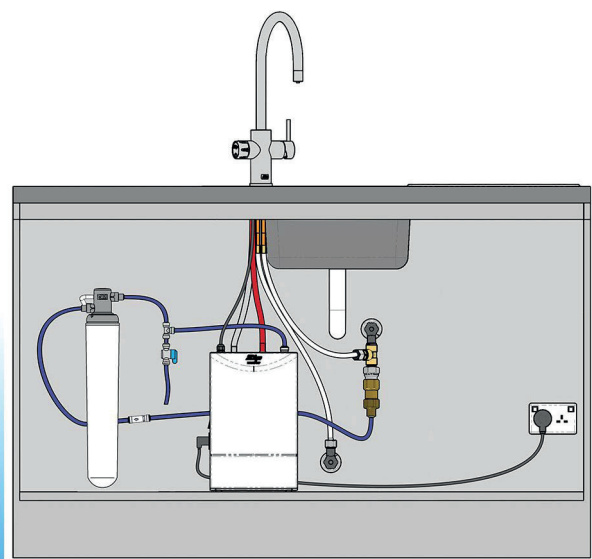

The HydroTap Celsius 3-in-1 comes with a free limescale filter worth £199. This will help protect your HydroTap from potentially damaging limescale build-up.

Choice of finishes

The HydroTap Celsius 3-in-1 is available in both the Celsius Arc and Cube styles, with a choice of three finishes - bright chrome, brushed chrome and matt black.

3-in-1 functionality

The HydroTap Celsius 3-in-1 provides the simple convenience of filtered boiling drinking water plus unfiltered hot and cold from one tap.
